Boats Depart Promptly at 12 PM

Allow yourself plenty of time to travel to North Myrtle Beach, park, and walk to and board the boat. If you want a seat under the canopy, please arrive early.

This is a wet ride so dress accordingly. Sunglasses and sunscreen are also recommended for this tour. There is a dry box on board for valuables. We suggest a bag or case to keep cameras and phones dry so you can take pictures. Please note, these cruises are not handicap-approved by the Coast Guard.

Cruises are 1½ to 2 hours long. The tour encompasses three distinct experiences starting with a narrated cruise up the Intracoastal Waterway. Then, the tour picks up speed, passing several uninhabited islands, and heads into the ocean to find and view dolphins. It ends with beautiful views of our coastline.
